Northwest Indiana Compliance Forum &

Gary Resident Trade Fair

Presented By

City of Gary

Gary Sanitary District

Karen Freeman-Wilson, Mayor & GSD Special Administrator

Daniel Vicari P.E., GSD/GSWMD Executive Director

Invited Panelists:

- Daniel Villao, U.S. Dept. of Labor, Office of Apprenticeship
- Thermon Donnelly, U.S. Dept. of Labor, Office of Federal Contract Compliance Programs
- David Alyea, Indiana Dept. of Transportation
- Pamyla Fountain Brown, Turner Construction Company
- Larry Thomas, Coalition of Black Trade Unionists
- Kenneth Rigmaiden, Int'l Union of Painters and Allied Trades
- Randy Palmateer, Northwest Indiana Building & Construction Trades Council
- And other thought leaders and industry professionals & HUD

Trade Fair will provide an opportunity for Gary residents that are either already registered as an apprentice in a construction trade apprenticeship program, a journeyman construction trade worker or interested in getting into a construction trade apprenticeship program to meet and network with contractors that currently have or are seeking to do business with the City of Gary, the Gary Sanitary District, the Gary Storm Water Management District or any of our local project partners, such as the Army Corps of Engineers, and sister agencies. Residency will be verified by Driver's License or State ID.
