Dear Friends of Gary NAACP:

NAACP is the largest, boldest, and oldest civil rights organization in the country. For more than 113 years the NAACP has provided a voice for those without a voice. The Gary Branch is one of the oldest and largest branches in the State of Indiana.

NAACP must depend on the generosity of concerned citizens and organizations for program support. Join us along with ***Darnell Johnson of Urban Efficiency Group***, as we engage in a conversation about Environmental and Climate Justice. Our event will be held,

Sunday, December 17, 2023

Chateau Banquet Hall, 530 W. 61st Ave., Merrillville, IN
